(Trenton) Investors Bank awarded the NJAC Foundation a grant of \$14,000.00 for county vocational-technical school graduates who plan to continue their education at a county college or four year State college or university.

“I’m pleased that Investors Bank and the NJAC Foundation have partnered on this important initiative to offer scholarships for our county vocational-technical school students who might not otherwise have the resources to continue their education,” said NJAC Foundation President Michael H. Facemyer.

The Foundation plans to distribute two \$500.00 grants in each county where Investors Bank conducts business. These counties include: Bergen, Hudson, Hunterdon, Essex, Mercer, Middlesex, Monmouth, Morris, Ocean, Passaic, Union, Somerset, Sussex, and Warren counties.

“We commend Investors Bank for its commitment and generosity to the communities in which it serves, and look forward working with our county vocational-technical schools in identifying hard working students dedicated to advancing their education,” said Facemyer.

The NJAC Foundation is a non-profit organization affiliated with the New Jersey Association of Counties (NJAC) and is committed to providing innovative educational opportunities for county vocational-technical school and county college students.
