NAJc FOUNDATION DONATES \$8000.00 NATIONAL GUARD ASSOCIATION

For Immediate Release: September 24, 2012
Contact: John G. Donnadio, Executive Director

(Trenton) The New Jersey Association of Counties (NJAC) Foundation donated \$8,000.00 to the National Guard State Family Readiness Council (NGSFRC) at its September 24th golf outing hosted by the Mercer Oaks West Golf Course.

“I’m honored that Mercer County had the opportunity to host this charitable event at one of our outstanding facilities; and, I hope that our efforts will make a positive difference for the families of our National Guardsmen that have sacrificed a great deal by serving side-by-side with our Armed Forces,” said Mercer County Executive and NJAC Foundation Board Member Brian Hughes.

NGSFRC is a 501 (C)(3) non-profit organization dedicated to providing financial assistance to members of the New Jersey Army and Air National Guard whose immediate family members experience financial hardships during the service member’s deployment and up to eighteen months after demobilization.

“I commend the Council for its dedication and commitment to helping our National Guard families through difficult financial and emotional times; and, hope that our event will provide some relief and peace of mind as the holiday season approaches,” commented NJAC Foundation President Michael H. Facemyer.

The NJAC Foundation is also a 501 (C)(3) non-profit organization affiliated with the New Jersey Association of Counties (NJAC) and is committed to providing aid to educational and social institutions in the furtherance of their stated goals. Please visit our website at www.njac.org for additional details about this event and the Foundation.
