

## **NEW JERSEY COUNTY ADMINISTRATORS BASIC CERTIFICATE PROGRAM**

Rutgers University Center for Government Services, in cooperation with the New Jersey Association of Counties, is pleased to present a certificate program on county administration designed to enhance the operational and functional knowledge of county administrators and professional staff.

This two-day Basic Certificate Program covers essential components in the administration of county government. Sessions on management challenges, public procurement, county fiscal affairs and ethics provide an overview of these important day-to-day issues and operations.

Instructed by experienced professionals in their respective fields, the sessions bring real-life applications and insight to the implementation of daily operations and challenges.

This program has been specifically designed to address the needs and interests of administrators, managers and administrative staff working in county government.

The Division of Local Government Services, DCA has approved continuing education credits for CCPO, CCFO, CMFO, and QPA recertification, as indicated on the agenda. To receive program certificate and CEUs, participants must attend both program days.
