NJM INSURANCE COMPANY AWARDS \$5,000.00 GRANT TO NJAC FOUNDATION FOR COUNTY VOCATIONAL-TECHNICAL SCHOOL STUDENTS!

For Immediate Release: March 10, 2014
Contact: John G. Donnadio, Executive Director

(Trenton) NJM awarded the New Jersey Association of Counties (NJAC) Foundation a grant of \$5,000.00 for county vocational-technical school graduates who plan on continuing their education at a county college or State college or university.

“I’m pleased that NJM and the NJAC Foundation have partnered on this important and timely initiative to provide scholarships for our county vocational-technical school graduates who might not otherwise have the means or resources necessary to continue their education,” commented NJAC Foundation President Michael H. Facemyer.

The NJAC Foundation plans to distribute one \$1,750.00 grant in each county where NJM maintains a corporate office, which includes Atlantic, Mercer, and Morris counties. New Jersey Manufacturers began in 1913, and has worked steadily ever since to build a reputation for efficiency, integrity, and superior service.

“We commend NJM for its commitment and generosity to the communities and residents in which it serves, and look forward to working with our county vocational-technical schools in identifying hard working students dedicated to advancing their education,” said Facemyer.

The NJAC Foundation is a non-profit organization affiliated with the New Jersey Association of Counties (NJAC) and is committed to providing innovative educational opportunities for county vocational-technical school and county college students.
