PSEG AWARDS \$12,000.00 GRANT TO NJAC FOUNDATION!

For Immediate Release - April 27, 2018

(Trenton) The PSEG Foundation awarded the NJAC Foundation a grant of \$12,000.00 for county vocational-technical school graduates who plan on studying environmental science, green design, green technology, alternative energy, and other related subjects at a county college or state college or university in the fall.

“On behalf of the Board of Trustees of the NJAC Foundation, I commend PSEG for its continued commitment and generosity to the communities in which it serves; and, I look forward to working with our county vocational-technical schools in selecting talented students dedicated to creating green solutions and advancing their education right here in the great State of New Jersey,” *said De Leo.*

This year, the NJAC Foundation plans to award one \$850.00 scholarship to a student nominated by the superintendent of their school in each county where PSEG maintains a service territory or generation facility. These counties include: Bergen, Burlington, Camden, Essex, Gloucester, Hudson, Mercer, Middlesex, Morris, Passaic, Salem, Somerset, and Union counties.

The NJAC Foundation is a 501 (C)(3) non-profit organization affiliated with the New Jersey Association of Counties (NJAC) and is committed to providing aid to educational, social, and governmental institutions in the furtherance of their stated goals.

Over the past six years, the NJAC Foundation has awarded over \$250,000.00 in scholarships to hardworking county vocational-technical school graduates who plan on continuing their education at a county college or state college or university. Through the generosity of some of New Jersey's most prominent corporate citizens, the Foundation has enjoyed the privilege of providing some much-needed financial assistance to an impressive group of hardworking students.
