The Municipality agrees to promptly process the County's vouchers for payment and to pay all bills within forty-five (45) days of submission by the County.

The common billable measurement will be hourly, broken down into half-hours for both equipment and personnel. However, at the discretion of the contact person, charges may be rounded to half-day (4 hours) or full-day (8 hours) charge.

## 4. <u>Contact Person</u>

The Municipality agrees to appoint a person to act as a liaison to serve as the Contact Person with the County in order to support and facilitate the orderly and efficient distribution of equipment requests and related information to the County's Road Supervisor.
