PREAMBLE

This Collective Negotiations Agreement (“Agreement”) is by and between the Monmouth County Board of County Commissioners (“County”), the Monmouth County Sheriff (“Employer” or “Sheriff”) and CWA Local 1075 (“Union”).

The County and Sheriff endorse the practice and procedure of collective negotiations as a fair and orderly way of conducting relations with their employees insofar as such practices and procedures are appropriate to the function and obligations of the County and the Sheriff to operate in a responsible and efficient manner consistent with the paramount interests of the public. It is the intent of this Agreement to provide, where not otherwise mandated by law, for the salary structure, fringe benefits and employment conditions of employees covered by this Agreement, to prevent interruptions of work, and to provide an orderly and prompt method for handling and processing grievances.

The parties recognize that this Agreement is not intended to modify any of the discretionary authority vested in the County or the Sheriff by the laws or regulations of the state of New Jersey.

ARTICLE 1
RECOGNITION

Section 1. The County and Sheriff recognize the Union as the exclusive representative for the purpose of establishing salaries, wages, hours and other terms and conditions of employment for employees working at the Sheriff's Communications Division in the following titles:

- 1) Public Safety Telecommunicator Trainee**
- 2) Public Safety Telecommunicator**
- 3) Senior Public Safety Telecommunicator**

Confidential employees, managerial executives, police, clerical, professional and supervisory employees are excluded from the negotiations unit.

ARTICLE 2
UNION SECURITY

Section 1. The Employer agrees to the following form of Union security:

- (a) All present employees who are members of the Union on the effective date of this Agreement may remain members of the Union in good standing by payment of the regular monthly dues to the Union.
- (b) At the time of hire, newly hired employees who are within the negotiations unit will be informed by their respective shop steward that they have the opportunity to join the Union.

Section 2. The Employer agrees to deduct from the wages of employees, by means of a check-off, the dues uniformly required by the Union. The Employer, after receipt of a written authorization from an individual employee, agrees to deduct from the salary of that employee monthly dues and initiation fees. Such deductions shall be made from the first salary paid during the month. In making the deductions and transmittals as above specified, the Employer shall rely upon the most recent communication from the Union as to the amount of monthly dues and the proper amount of initiation fee.

Section 3. The Union agrees to hold the County and Sheriff harmless from any action taken by the County and/or Sheriff pursuant to the provisions of this Article.

Section 4. The parties recognize that the Workplace Democracy Enhancement Act ("WDEA"), P.L. 2018, c. 15, governs certain areas of their relationship. The parties agree to comply with their mutual obligations under the WDEA to the extent applicable, and as they may be modified by further legislative enactments or rulings of courts or administrative bodies having jurisdiction over the statute's interpretation, including, but not limited to, the "Responsible Collective Negotiations Act," P.L. 2021, c. 411. See Article 2 (Appendix) on pages 4-7 of this Agreement for the provisions of the WDEA.

ARTICLE 2 (APPENDIX)
WORKFORCE DEMOCRACY ENHANCEMENT ACT, P.L. 2018, c. 15

An Act concerning public employment relations, supplementing P.L.1941, c.100 (C.34:13A-1 et seq.), and amending P.L.1967, c.310.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C.34:13A-5.11 Short title.

1. This act shall be known and may be cited as the “Workplace Democracy Enhancement Act.”

C.34:13A-5.12 Findings, declarations relative to public employment relations.

2. The Legislature finds and declares that collective negotiations promote labor stability in the public sector and enhance the delivery and avoid the disruption of public services. The Legislature further declares that it is in the public interest to ensure that any employee organization that has been designated as the exclusive representatives of employees in a collective negotiations unit is able to effectively carry out its statutory duties by having access to and being able to communicate with the employees it represents.

C.34:13A-5.13 Access to members of negotiations units.

3. a. Public employers shall provide to exclusive representative employee organizations access to members of the negotiations units.

- b. Access includes, but is not limited to, the following:

- (1) the right to meet with individual employees on the premises of the public employer during the work day to investigate and discuss grievances, workplace-related complaints, and other workplace issues;

- (2) the right to conduct worksite meetings during lunch and other non-work breaks, and before and after the workday, on the employer’s premises to discuss workplace issues, collective negotiations, the administration of collective negotiations agreements, other matters related to the duties of an exclusive representative employee organization, and internal union matters involving the governance or business of the exclusive representative employee organization; and

- (3) the right to meet with newly hired employees, without charge to the pay or leave time of the employees, for a minimum of 30 and a maximum of 120 minutes, within 30 calendar days from the date of hire, during new employee orientations, or if the employer does not conduct new employee orientations, at individual or group meetings.

- c. Within 10 calendar days from the date of hire of negotiations unit employees, public employers shall provide the following contact information to an exclusive representative employee organization in an Excel file format or other format agreed to by the exclusive representative employee organization: name, job title, worksite location, home address, work telephone numbers, and any home and personal cellular telephone numbers on file with the public employer, date of hire, and work email address and any personal email address on file with the public employer. Every 120 calendar days beginning on January 1 following the effective date of this act, public employers shall provide exclusive representative employee organizations,

in an Excel file or similar format agreed to by the employee organization, the following information for all negotiations unit employees: name, job title, worksite location, home address, work, home and personal cellular telephone numbers, date of hire, and work email address and personal email address on file with the public employer.

d. The home addresses, phone numbers, email addresses, dates of birth, and negotiation units and groupings of employees, and the emails or other communications between employee organizations and their members, prospective members, and non-members, are not government records and are exempt from any disclosure requirements of P.L.1963, c.73 (C.47:1A-1 et seq.).

e. Exclusive representative employee organizations shall have the right to use the email systems of public employers to communicate with negotiations unit members regarding collective negotiations, the administration of collective negotiations agreements, the investigation of grievances, other workplace-related complaints and issues, and internal union matters involving the governance or business of the union.

f. Exclusive representative employee organizations shall have the right to use government buildings and other facilities that are owned or leased by government entities to conduct meetings with their unit members regarding collective negotiations, the administration of collective negotiations agreements, the investigation of grievances, other workplace-related complaints and issues, and internal union matters involving the governance or business of the union, provided such use does not interfere with governmental operations. Meetings conducted in government buildings pursuant to this section shall not be for the purpose of supporting or opposing any candidate for partisan political office, or for the purpose of distributing literature or information regarding partisan elections. An exclusive representative employee organization conducting a meeting in a government building or other government facility pursuant to this section may be charged for maintenance, security and other costs related to the use of the government building or facility that would not otherwise be incurred by the government entity.

g. Upon the request of an exclusive representative employee organization, a public employer shall negotiate in good faith over contractual provisions to memorialize the parties' agreement to implement the provisions of subsections a. through f. of this section. Negotiations shall commence within 10 calendar days from the date of a request by the employee organization, even if a collective negotiations agreement is in effect on the effective date of this act. Agreements between a public employer and an exclusive representative employee organization implementing subsections a. through f. of this section shall be incorporated into the parties' collective negotiations agreement and shall be enforceable through the parties' grievance procedure, which shall include binding arbitration. The requirements set forth in subsections a. through f. of this section establish the minimum requirements for access to and communication with negotiations unit employees by an exclusive representative employee organization.

h. If the parties are unable to reach agreement within 30 calendar days from the commencement of negotiations regarding access to and communications with negotiations unit members, the exclusive employee organization or the public employer may file a petition with the Public Employment Relations Commission to resolve the negotiations dispute. Upon receipt of a petition, the commission shall appoint an arbitrator, who shall issue a binding award resolving the parties' negotiations disputes consistent with subsections a. through f. of this section. The commission shall establish a panel of arbitrators to resolve negotiations pursuant to this section and shall promulgate rules to implement this section.

i. For the purposes of this section, "exclusive representative employee organization" means an employee organization which has been designated as the exclusive representatives of employees in a collective negotiations unit.

C.34:13A-5.14 Certain actions of public employer relative to negotiations unit members prohibited.

4. a. A public employer shall not encourage negotiations unit members to resign or relinquish membership in an exclusive representative employee organization and shall not encourage negotiations unit members to revoke authorization of the deduction of fees to an exclusive representative employee organization.

b. A public employer shall not encourage or discourage an employee from joining, forming or assisting an employee organization.

c. A public employer that violates any provision of subsection a. or b. of this section shall be regarded as having engaged in an unfair practice in violation of subsection a. of section 1 of P.L.1974, c.123 (C.34:13A-5.4), and, upon a finding that the violation has occurred, the Public Employment Relations Commission, in addition to implementing any other remedies authorized by that section, shall order the public employer to make whole the exclusive representative employee organization for any losses suffered by the organization as a result of the public employer's unlawful conduct and any other remedial relief deemed appropriate.

C.34:13A-5.15 Inclusion in negotiations unit.

5. a. All regular full-time and part-time employees of the public employer who perform negotiations unit work shall be included in the negotiations unit represented by the exclusive representative employee organization.

b. Negotiations unit work means work that is performed by any employees who are included in a negotiations unit represented by an exclusive representative employee organization without regard to job title, job classification or number of hours worked, except that employees who are confidential employees or managerial executives, as those terms are defined by section 1 of P.L.1941, c.100 (C.34:13A-3), or elected officials, members of boards and commissions, or casual employees, may be excluded from the negotiations unit. Casual employees are employees who work an average of fewer than four hours per week over a period of 90 calendar days.

c. Employees who are performing negotiations unit work and who are not included in a negotiations unit because they did not meet the threshold of hours or percent of time worked as set forth in a certification of representative, recognition clause or other provision in a collective negotiations agreement, shall be included in the negotiations unit by operation of this act, within 90 calendar days from the effective date of this act.

d. The Public Employment Relations Commission shall promulgate rules to implement this section, including rules to resolve disputes over the inclusion of employees performing negotiations unit work in the appropriate negotiations unit. The rules promulgated by the commission shall provide for the resolution of disputes that arise under this section, within 60 calendar days from the submission of the dispute to the commission by either the exclusive representative employee organization or the public employer.

6. Section 1 of P.L.1967, c.310 (C.52:14-15.9e) is amended to read as follows:

C.52:14-15.9e Deduction from compensation to pay dues to certain employee organizations.

1. Whenever any person holding employment, whose compensation is paid by this State or by any county, municipality, board of education or authority in this State, or by any board, body, agency or commission thereof shall indicate in writing, including by electronic communications, and which writing or communication may be evidenced by the electronic signature of the employee, as the term electronic signature is defined in section 2 of P.L.2001, c.116 (C.12A:12-2), to the proper disbursing officer his desire to have any deductions made from his compensation, for the purpose of paying the employee's dues to a bona fide employee organization, designated by the employee in such request, and of which said employee is a member, such disbursing officer shall make such deduction from the compensation of such person and such disbursing officer shall transmit the sum so deducted to the employee organization designated by the employee in such request.

Employees who have authorized the payroll deduction of fees to employee organizations may revoke such authorization by providing written notice to their public employer during the 10 days following each anniversary date of their employment. Within five days of receipt of notice from an employee of revocation of authorization for the payroll deduction of fees, the public employer shall provide notice to the employee organization of an employee's revocation of such authorization. An employee's notice of revocation of authorization for the payroll deduction of employee organization fees shall be effective on the 30th day after the anniversary date of employment.

Nothing herein shall preclude a public employer and a duly certified majority representative from entering into a collectively negotiated written agreement which provides that employees included in the negotiating unit may only request deduction for the payment of dues to the duly certified majority representative. Such collectively negotiated agreement may include a provision that existing written authorizations for payment of dues to an employee organization other than the duly certified majority representative be terminated. Such collectively negotiated agreement may also include a provision specifying the effective date of a termination in deductions as of the July 1 next succeeding the date on which notice of withdrawal is filed by an employee with the public employer's disbursing officer.

This authorization for negotiation of exclusive dues deduction provisions shall not apply to any negotiating unit which includes employees of any local school district or county college.

As used in this section, dues shall mean all moneys required to be paid by the employee as a condition of membership in an employee organization and any voluntary employee contribution to a committee or fund established by such organization, including but not limited to welfare funds, political action committees, charity funds, legal defense funds, educational funds, and funds for donations to schools, colleges, and universities.

7. This act shall take effect immediately.

Approved May 18, 2018.

ARTICLE 3
SHOP STEWARD

Section 1. The Union may name up to five (5) Stewards and one (1) Chief Steward. The Union will provide written notification to the Employer of the names of each Steward and the Chief Steward, and shall notify the Employer of any changes in designation as they occur.

Section 2. The Chief Steward, or a Steward in the Chief Steward's absence, shall restrict his or her activities to the handling of grievances. He or she shall be allowed a reasonable amount of time for the handling of grievances, but only to such extent as does not neglect, retard, or otherwise interfere with his or her work duties or the work duties of other employees in any manner. A Steward must ask his or her immediate supervisor for permission to investigate and adjust grievances during work hours. Such permission shall not be unreasonably withheld, consistent with the above provisions.

Section 3. Stewards may transact Union business using the Employer's time or on its property to the extent authorized by the WDEA, but in no event shall their activities interfere with governmental operations. Stewards shall not be paid for time spent in grievance meetings, labor negotiation sessions, or other matters relating to Union business when such meetings are not scheduled during their normal work hours. The Union may not use the Employer's resources, such as copiers and computer systems, for Union business without prior Employer authorization, except that consistent with the WDEA, the Union may use the Employer's e-mail system to communicate with negotiations unit members regarding Union business. Such use must be consistent with and subject to all applicable provisions of the Employer's e-mail usage policies.

Section 4. An authorized representative of the Union may have access to the Sheriff's facilities on application to the Undersheriff in charge of the Communications Division, or

designee. A Union representative shall not interfere with employees or cause them to neglect their work.

Section 5. The Union shall hold the County and Sheriff harmless against any injuries or accidents that may occur to an authorized Union representative while he or she is on County property.

Section 6. The Union shall be allocated forty (40) hours of paid leave per year in total for attendance at formal Union meetings and conventions. Leave pursuant to this provision shall be granted upon written authorization submitted by the Chief Steward to the Undersheriff in charge of the Communications Division, or designee, indicating the names of the attending individuals and the times when their attendance will be required. In order to facilitate scheduling, advance notice of the use of leave time should be provided at least three (3) weeks prior to scheduled meetings.

ARTICLE 4
MANAGEMENT RIGHTS

Section 1. It is recognized that the Employer has and will continue to retain the right and responsibility to direct the affairs of the Division covered by this Agreement in all their various aspects.

Section 2. Among the rights retained by the Employer are the right to direct the work force; to plan, direct and control all the operations and services of the Division covered by this Agreement; to determine the methods, means, organization and personnel by which such operations and services are to be conducted; to set minimum salaries for all covered titles, provided that such minimums shall be first disclosed to the Union prior to implementation, and provided further that no employee in an affected title shall be paid less than any newly established minimum; to contract or subcontract out services; to relieve employees due to lack of work or for other legitimate reasons; to make and enforce reasonable rules and regulations (such rules shall be equitably applied and enforced); or to change or eliminate existing methods, equipment or facilities.

Section 3. The exercise of any of the above-noted rights shall not conflict with any of the express written provisions of this Agreement.

Section 4. The above-noted management rights are not exclusive and shall in no way be deemed to exclude any other management right not specifically set forth but that may be reasonably exercisable by the Employer.

Section 5. The Employer will continue to maintain time clocks during the term of this Agreement.

Section 6. The parties recognize that during the course of the COVID-19 Public Health Emergency, the Sheriff was required to adjust its usual operations for the health and safety of its

personnel. The Union agrees that any such actions taken by the Sheriff during the COVID-19 Public Health Emergency, or during any future public health emergency declared by the federal or state government, may not following the termination of that emergency be utilized by the Union as evidence of “past practice” in any future grievance, unfair labor practice or other legal challenge it may file with respect to the terms and conditions of employment. This provision shall not prohibit the Union from grieving or otherwise challenging an action taken by the Sheriff during the course of a future public health emergency as a violation of this Agreement or established past practice.

ARTICLE 5
GRIEVANCE PROCEDURE

Section 1. A “grievance” means a complaint that there has been a violation, misinterpretation, or inequitable application of any of the provisions of this Agreement.

Section 2. To be considered under this procedure, a grievance must be initiated within ten (10) working days from the time when the cause for the grievance first occurred.

Section 3. The following procedures shall be the sole means of obtaining adjustment of a grievance. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit a grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeals of the decision.

STEP 1 - The grievance, within ten (10) days of when it first arises, shall be taken up between the employee, the Steward, and the employee’s shift supervisor. The shift supervisor shall give an oral or a written decision on the grievance within five (5) working days thereafter.

STEP 2 - If the grievance is not resolved at Step 1, it shall be reduced to writing within five (5) working days after the Step 1 answer is received or due, whichever is sooner. The grievance must state the specific provision of the Agreement brought into question and shall be served upon the 9-1-1 Coordinator. The grievance shall be promptly discussed between the 9-1-1 Coordinator and a representative of the Union. A written decision shall be given to the Union within ten (10) days of its receipt by the 9-1-1 Coordinator.

STEP 3 - If the grievance is not resolved at Step 2, the Union shall notify the Undersheriff in charge of the Communications Division within five (5) days after the Step 2 answer is received or due, whichever is sooner. The Undersheriff shall review the grievance within ten (10) working days after receipt of such notice and provide the Union with a written decision within ten (10) working days thereafter.

STEP 4 - If the grievance is not resolved at Step 3, then the Union may request arbitration within ten (10) working days after the decision at Step 3 is received or due, whichever is sooner, through the New Jersey Public Employment Relations Commission (“PERC”).

Section 4. Any grievance the Employer may have against the Union shall be reduced to writing and submitted to the Chief Steward, who will promptly arrange a meeting with the Undersheriff in charge of the Communications Division. If the matter is not satisfactorily settled at the meeting, or within five (5) working days thereafter, the grievance may then be processed through Step 4 of the Grievance Procedure.

Section 5. The arbitrator shall have the power to hear and determine the dispute and issue a final and binding decision, but shall have no authority to change, modify, alter, substitute, add to, or subtract from any of the provisions of this Agreement.

Section 6. The parties shall equally share the fees and expenses of the arbitrator, but all other costs shall be borne solely by the party incurring them.

Section 7. No dispute arising out of any questions pertaining to the renewal of this Agreement shall be subject to the arbitration provisions of this Agreement.

Section 8. Any step in the grievance procedure may be waived by mutual written consent, and any time period or limitation contained in the grievance procedure may similarly be waived by mutual written consent.

ARTICLE 6
SALARY

Section 1. Unless otherwise expressly provided in this Article, effective and retroactive to January 1, 2022, all employees in the negotiations unit and employed by the Employer on December 31, 2021 shall receive a \$1,000 increase to their base wage in recognition of holding the following specialized certifications: Emergency Medical Dispatch (EMD), Cardiopulmonary Resuscitation (CPR) and Basic 911 Certification, followed by an additional base wage percentage increase of 2.75%.

Section 2. Effective January 1, 2023, all employees in the negotiations unit and employed by the Employer on December 31, 2022, whose 2022 base annual salary was less than \$72,200 shall migrate to the appropriate step of a new salary guide attached as Appendix A to this Agreement. Thereafter, employees not yet at the top step of the guide as of the prior calendar year shall progress an additional step on the guide on January 1, 2024, and an additional step on the guide on January 1, 2025. Step guide movement shall not automatically survive the expiration of the Agreement.

Section 3. Starting January 1, 2023, any employee who has already reached the top step of the salary guide as of the prior calendar year shall in lieu of step movement receive a \$1,000 Certification base wage increase followed by an additional base wage percentage increase of 2.75%. These increases shall be paid on January 1, 2023; January 1, 2024; and January 1, 2025.

Section 4. Effective January 1, 2023, the Sheriff has the reasonable discretion to offer an intergovernmental transfer (“IGT”) a starting salary at any step of the newly established salary guide. IGTs shall be entitled to a step movement or salary increase, as applicable, starting the January 1st following their hire. The Union shall be entitled to an explanation as to the reason for placement on a particular step if requested and may file a grievance if it contends the placement is unreasonable based upon the IGT’s experience and qualifications.

Section 5. For 2022, the entry-level salary for a newly hired Public Safety Telecommunicator Trainee (“PST Trainee”) is \$43,950, and upon completing training and being promoted to Public Safety Telecommunicator (“PST”), these employees are entitled to an immediate salary increase to \$45,950. Effective January 1, 2023, the starting PST Trainee and starting PST salaries shall be established as Steps 1A and 1B on the salary guide. PSTs shall then be entitled to progress to Step 2 on the salary guide on the January 1st after their promotion.

Section 6. Senior Public Safety Telecommunicators. The minimum salary of a Senior Public Safety Telecommunicator (“SPST”) effective January 1, 2022 shall be \$76,960 and effective January 1, 2023 shall be \$80,000. Employees promoted to SPST shall either receive the minimum salary or a four (4%) percent salary increase, whichever is greater, and shall be entitled to the annual increase set forth in Section 3 of this Article starting the January 1st following their promotion.

Section 7. The parties acknowledge that on January 1, 2016, the County changed its pay cycle so that an employee’s annual salary is now paid in 24 semi-monthly installments. Thereafter, the County is entitled to calculate an employee’s annual salary based upon the actual number of work hours in any particular year, provided, however, that this calculation shall not exceed 2088 hours (261 workdays), even in a year when there are 2096 work hours (262 workdays).

Section 8. Employees must be on the County’s payroll as of the date the Union’s membership approved a memorandum of agreement (“MOA”) accepting the terms set forth in this Article to be eligible for any retroactive salary payments. If an employee is on an unpaid leave at the time of ratification by the Union, he or she will receive retroactive pay only if and when he or she returns to active duty and shall not be eligible for same if he or she never does so. Retroactive pay shall be paid within forty-five (45) days after the MOA is both ratified by the Union’s membership and adopted by the Board of County Commissioners.

ARTICLE 7 **SENIORITY**

Section 1. Seniority is defined as an employee's total length of continuous service with the Employer, beginning with the last date of hire.

Section 2. Seniority in classification will be considered in transfers and reassignments in accordance with New Jersey Civil Service Commission (“Civil Service Commission”) regulations, though the Employer shall have the final authority to reassign or transfer an employee as workload dictates. Seniority shall be given preference only in promotions, demotions, layoff, recall, shift bidding, and vacation scheduling, provided that it may not strictly apply where ability to perform the work required is equal, as determined by the Employer.

Section 3. An employee discharged while serving a provisional or temporary appointment, or released at the end of a working test period, shall not have recourse to the Grievance Procedure as set forth in Article 5 of this Agreement and must instead utilize the Civil Service Commission’s procedure to appeal the discharge or release.

Section 4. The filling of vacancies and positions shall be subject to Civil Service Commission regulations. For promotions, each interested employee shall be interviewed, and if not selected to fill the promotion will be given the reason for that decision.

Section 5. If a reduction of force becomes necessary, it shall take place in accordance with Civil Service Commission regulations.

Section 6. The Employer shall maintain a seniority roster showing each employee's date of hire, classification and pay rate, and shall furnish copies of same to the Union upon reasonable request. If such a list is provided, the Union shall have forty-five (45) days thereafter to notify the Employer of any written objections to the accuracy of the roster; and if such written objections are

not so presented by the Union, then the roster shall be deemed accurate for all purposes under this Agreement.

ARTICLE 8
HOURS OF WORK AND OVERTIME

Section 1. The normal workweek shall consist of forty (40) hours (two (2) twelve (12) hour workdays, two (2) eight (8) hour workdays, and three (3) consecutive days off). Each workday shall include a paid one-half (½) hour lunch period for days scheduled for more than four (4) hours, during which the employee may not leave the Employer’s premises. The Employer retains the right to make changes to the work schedule at any time after notice and consultation with the Union.

Section 2. All employees shall receive time and one half pay for all hours actually worked in excess of forty (40) hours in a week. Sick days shall not be counted as time worked in a week and sick leave shall not count as hours worked for overtime purposes in accordance with the Fair Labor Standards Act (“FLSA”).

Section 3. Employees called to work prior to the start of their normal work shift shall be paid overtime for any such time worked, but such overtime payment shall not apply to any of the hours of the normal shift.

Section 4. All employees are expected to perform a reasonable amount of overtime. The Employer recognizes that it may be inconvenient for individual employees to work overtime and will give due consideration to each request for relief from overtime work. However, the parties agree that the Employer shall be the sole judge as to the necessity for overtime work.

Section 5. In the event an employee is called back to work after completion of a normal work shift, he or she shall be entitled to a minimum of two (2) hours pay at the overtime rate. This minimum shall not apply if the employee is called back to work two (2) hours or less prior to the start of his or her regular work assignment.

Section 6. Employees shall be granted a paid fifteen (15) minute break during each four (4) hours of an assigned shift, which shall be unscheduled, and the timing of which shall be determined by workload and/or the need to ensure adequate staffing.

Section 7. Shift Switches. Employees shall not be permitted to switch shift assignments without the Employer's permission. Employees may request to switch shifts up to twelve (12) times in a calendar year with only the employee requesting a shift switch being charged one of his or her allotted twelve (12) shift switches. Unused shift switches do not carry over from year to year.

Shift switch assignments shall be of equal length (e.g. an eight (8) hour shift for an eight (8) hour shift, or a twelve (12) hour shift for a twelve (12) hour shift), provided, however, that two (2) eight (8) hour shifts cannot be combined to create a sixteen (16) hour shift. The Employer may permit a partial shift switch at its discretion, which if permitted shall count as one of the twelve available to the requesting employee. All shift switches must be fully completed during the County's established workweek (currently, Saturday at 12:00 A.M. through Friday at 11:59 P.M.), and cannot result in overtime.

Shift switching requests must be submitted no less than seventy-two (72) hours prior to the date of the switch to be considered, except in extenuating circumstances and in the Employer's sole and complete discretion. Shift switching requests submitted more than thirty (30) days prior to the date of the switch to be considered may not be considered by the Employer until within that thirty (30) day period, with the employee responsible for timely reminding the scheduling supervisor of any outstanding request outside of the thirty (30) day window that has not yet been addressed.

The Employer may only require an employee to provide a reason for a shift switching request when it is made within the seventy-two (72) hour window. Employees are required to submit all shift switching requests via the Employer's scheduling system within the above-noted time frames, with emergent requests clearly noted as such. All shift switches must be approved in advance by a Supervisor, will be reviewed as soon as possible after they are submitted by the requesting employee, and will not be unreasonably denied.

If an employee uses sick time during a shift switch, he or she will be required to follow the SOP in place with respect to sick time requests. Failure to supply a note, if required, will result in a forfeiture of the employee's shift switch privileges for thirty (30) days for the first occurrence in a calendar year, sixty (60) days for the second occurrence in a calendar year, and ninety (90) days for the third occurrence in a calendar year.

Both employees involved in a shift switch request must be eligible to do so or the request will be denied. If an employee involved in a shift switch is out of work due to an extended Family Leave, extended Medical Leave, has resigned, has been suspended or has a work limitation in effect, that employee will be deemed "not eligible," any shift switch involving that employee will be rescinded and both participant's schedules will be returned to their original work schedules beginning on the first day of the workweek after the event took place.

Employees utilizing a shift switch may be required to work mandatory overtime. Any shift switch not approved by a Supervisor will be considered an unauthorized absence and will result in progressive disciplinary action. Employees switching shifts will be allowed to use benefit time, except for Personal Days established in Article 14, Section 2, and so long as the shift switch does not create overtime at the time of approval.

SPSTs may switch with a PST providing that PST has a minimum of ten (10) years of service, and there is another SPST or supervisor working. Switching within a switch is prohibited and employees cannot switch with themselves.

Section 8. Compensatory time off may be granted on request of an employee and at the sole discretion of the Employer. An employee seeking to schedule earned compensatory time shall submit his or her request via the Employer's scheduling system at least five (5) days prior to the date sought. Compensatory time requests will not be unreasonably denied, but may be denied if granting the request will result in a staff shortage or for other legitimate reasons. Employees earning compensatory time may hold up to a maximum of eighty (80) hours during the course of the year, provided that the Employer retains the right to pay out of some or all the accumulated hours in December of each year. The maximum accumulation of compensatory time shall be increased to one hundred twenty (120) hours effective January 1, 2023.

Each employee shall have the option to cash-in accrued compensatory time twice annually, up to a maximum of eighty (80) hours per year, which shall be increased to one hundred twenty (120) hours effective January 1, 2023. To be eligible, the employee shall provide the Sheriff with at least thirty (30) days' notice prior to June 1 and November 1 of his or her intent to cash-in compensatory time, and the amount of compensatory time requested to be cashed-in. An employee must request to cash in at least twenty (20) hours of compensatory time, or the request will be denied. Payments shall be made in the first pay period of July for the June cash-in and the first pay period in December for the November cash-in at the rate of pay in effect at the time of cash-in.

Section 9. When the Employer assigns an employee to assist another agency during non-duty hours, compensation will be paid at the overtime rate.

Section 10. Shift Bidding. The following rules are established for shift bidding:

1. Employees shall be allowed to bid for their preferred shift annually by seniority and title.
2. An employee will not be forced onto a specific shift unless it is as a result of an agreement to resolve a disciplinary action or some other agreement.
3. An employee who voluntarily passes on his or her bid, in order to choose at a lower seniority point, will be reflected on the bidding roster.
4. Upon completion of shift bidding, employees will not be allowed to change their schedules even if a vacancy occurs.
5. New hires (PST Trainees, SPSTs, or IGTs) will be assigned a shift and days off based upon operational needs. Upon completion of training, they shall be entitled to bid for a shift.

Section 11. When an employee works the shift that is shortened in the spring due to Daylight Savings Time, he or she will not be paid for the extra hour that is not actually worked. Employees working the shift that is lengthened in the fall as a result of the return to Standard Time, will be paid for the extra hour of work.

ARTICLE 9
OUT OF TITLE PAY

Section 1. An employee who is authorized by an immediate supervisor to perform the functions of a senior position shall be eligible to receive additional compensation at the current senior rate, as set forth in Article 6, Section 6 of this Agreement (i.e. the minimum SPST salary of \$76,960 in 2022 and \$80,000 in 2023 and thereafter, or a four percent (4%) salary increase, whichever is greater). Such additional compensation shall be paid only when the employee assumes senior duties.

Section 2. Consistent with existing practice, out-of-title training activities will be compensated at the rate of a ten percent (10%) adjustment to hourly pay while conducting such activities, including time spent training in-service with or without a certificate to be awarded; when a trainer is conducting on-site training at a given console within the 9-1-1 Communications Center; and other training activities of a similar nature.

Section 3. The Sheriff shall have the discretion to appoint up to two (2) employees to an internal position of “training officer/special assignment coordinator.” This shall be a voluntary assignment. The Sheriff shall have the ability to offer an increase to an employee’s annual base salary in an amount not exceeding \$3,000.00 for employees accepting this assignment, which shall be considered pensionable compensation, but it shall not be a cumulative adjustment and shall cease immediately in the event the Sheriff terminates the assignment or the employee chooses to no longer perform the duties of the position. Employees appointed to this internal position are not additionally eligible for the premium established in Section 2 of this Article.

ARTICLE 10
UNIT WORK

Section 1. Due to the nature of the 9-1-1 Communications Center, a supervisory or technical employee will be permitted to perform unit work at any time.

ARTICLE 11 **UNIFORMS**

Section 1. Except as set forth in Section 4 of this Article, all employees are responsible for the purchase of the required uniform at their own expense. If the Employer requires a material change in the existing uniform, it shall be responsible for the initial purchase of same.

Section 2. The Employer retains the right to direct the uniform to be worn by employees, along with any safety equipment necessary to perform the work. It further reserves the right to modify its practices on reasonable notice to the Union and upon further consultation with the Union.

Section 3. If an employee reports to work not wearing the required uniform or designated safety equipment, he or she may be sent home for the day without pay and may be subject to further disciplinary action.

Section 4. The Employer will provide all employees serving in the title of PST Trainee a complete initial uniform as established by the Employer, including footwear (two long sleeve shirts, two short sleeve shirts, two pairs of long pants, one belt and one pair of boots). Any employee hired in the title of PST Trainee thereafter, or hired as an IGT, shall be similarly outfitted. The Employer shall determine in its discretion how to meet its obligations under this Section, which may include either providing the uniform directly through a quartermaster system and/or reimbursing employees for the costs of the uniform. Thereafter, Section 1 of this Article shall apply. Uniform vouchers shall be provided to new hires after ninety (90) days of employment.

Section 5. “Dress Down” shall be permitted during all established County holidays (as well as any weekend where there is an established County holiday celebrated on the Friday before or the Monday after that holiday), National Public Safety Telecommunicators Week (generally, second week in April), Halloween, Super Bowl Sunday, and the period between December 25th

and January 1st of the following year. Appropriate non-uniform attire in compliance with the County's dress code is required and the Sheriff reserves the right to suspend a "Dress Down" day in the event of a planned visitor tour or other good cause. Field Communications Drivers observing a "Dress Down" day must have a uniform readily available in the event of an emergent assignment requiring that individual to report to a location other than the 9-1-1 Communications Center.

ARTICLE 11A
BENEFIT TIME USAGE

The following provisions are applicable to holiday time granted pursuant to Article 12, Holidays; vacation time granted pursuant to Article 13, Vacations; and sick and personal time granted pursuant to Article 14, Leaves:

1. All benefit time may be used in increments of no less than one (1) hour.
2. An employee with benefit time scheduled for the beginning of a shift shall not be forced to work overtime after the regularly scheduled conclusion of the prior shift.

ARTICLE 12
HOLIDAYS AND COUNTY CLOSURES

Section 1. Employees will not receive any type of holiday pay, but instead will only receive regular straight time pay if scheduled to work on a recognized County holiday. All employees will be afforded thirteen (13) alternate days off per year. The minimum time to submit a request to use an alternate day off is seventy-two (72) hours, but requests received more than thirty (30) days in advance will not be granted earlier than thirty (30) days prior to the date requested. Alternate day off requests may be denied based upon scheduling needs. Should the Employer advise an employee that he or she cannot take a scheduled alternate day off due to scheduling needs, he or she will receive regular straight time pay for the alternate day that could not be utilized by no later than the first pay in December.

Section 2. On days when all County offices are closed because of snow or other emergency, the following wage rates shall apply during the duration of the closure:

- (a) If all County offices are closed for the full day from 9:00 a.m. until 4:30 p.m., any negotiations unit employee working on that day [11 p.m. to 11 p.m.] will receive two (2) times his or her regular wage for all hours actually worked throughout his or her full regular shift. In no case shall more than eight (8) hours additional pay be credited.
- (b) If all County offices are closed after 9:00 a.m. or for less than a full day, each negotiations unit employee working on that day [11 p.m. to 11 p.m.] will be paid two (2) times his or her regular wage rate for all hours actually worked up to the number of hours the County offices were closed. In no case shall more than eight (8) hours additional pay be credited. All other hours worked on that day shall be paid at the rate called for in this Agreement.
- (c) This section shall not apply if less than all County offices are closed.
- (d) For purposes of absolute clarity, this section shall not apply to a Public Health Emergency, such as the COVID-19 pandemic, or other similar emergency where the County restricts normal public access to its facilities for health and safety reasons, but is otherwise is conducting some measure of regular business, even on a remote basis, and employees shall not be entitled to any additional compensation for reporting to work in such an instance. The parties agree that the clarifying language

in this Section 2(d) shall not be used by the Employer or Union as evidence in any ongoing disputes regarding claims for compensation owed for emergency closures under existing Sections 2(a) through 2(c) of this Article prior to January 1, 2022.

Section 3. Cash out of Holiday Time. Employees shall have the option to cash-in earned holiday time (a.k.a. “float-holiday time”), which shall be processed twice annually in June and November. Employees must submit a written or e-mailed request to cash-in such time to the 911 Coordinator or designee by April 30th for the June cash-in and by September 30th for the November cash-in. An employee must request to cash in at least twenty (20) hours of float-holiday time. Payments shall be made in the first pay period of July for the June cash-in and the first pay period in December for the November cash-in at the rate of pay in effect at the time of cash-in.

For 2023, alternatively, at the time of shift bidding, an employee may elect to receive eight (8) hours of holiday pay as each holiday passes throughout the year, rather than twice annually, with the understanding that such holiday pay shall not represent hours worked for overtime purposes. If the County, in its sole discretion, determines that allowing holidays to be paid in this manner has become an undue administrative burden, it may choose to discontinue this option after the one-year trial period.

ARTICLE 13 **VACATIONS**

Section 1. The Employer will grant to all negotiations unit employees vacation with pay in accordance with the following schedule and subject to the provisions of the County's Vacation Leave Policy unless otherwise indicated herein [Note: each "working day" shall be deemed to be an eight (8) hour day]:

Eligible new employees shall receive one working day for the initial month of employment if they begin work on the 1st through the 8th day of the calendar month, and, one-half working day if they begin work on the 9th through the 23rd day of the month. If employment begins on the 24th through the last day of a month, the eligible new employee does not receive any vacation allotment until the beginning of the next month.

After the initial month of employment and up to the end of the first calendar year, employees shall receive one working day for each month of service. Thereafter, employees shall receive paid vacation leave as follows:

- Beginning January 1st of the first full calendar year of employment and up through 4 years of continuous, eligible service, 12 vacation days each year;
- Beginning January 1st of the calendar year of 5 years of continuous, eligible service and up through 11 years of continuous eligible service, 15 vacation days each year;
- Beginning January 1st of the calendar year of 12 years of continuous, eligible service and up through 19 years of continuous, eligible service, 20 vacation days each year;
- Beginning January 1st of the calendar year of 20 years of continuous, eligible service, 25 vacation days per year.

Section 2. Employees will be credited for a year of service in determining time served for their vacation time no matter when an employee began his or her employment.

Section 3. Any additional vacation days generally granted to all other County employees by the Board of County Commissioners shall also be granted to negotiations unit employees.

Section 4. An employee is expected to utilize his or her entire vacation allotment during the calendar year in which it is earned. Vacation carry-over will be permitted only in extremely

rare cases, and at the Employer's sole discretion, when an urgent or highly unusual situation necessitates it. Any approved vacation carry-over into a succeeding year must be used by March 31st of that succeeding year.

Section 5. Vacation scheduling shall take place using the following procedures:

- (a) Vacation schedules will be posted during the first week of November and the first week of January of each year for employees to schedule their vacations according to seniority for the succeeding half-year. This posting shall be removed by December 15th and June 1st, respectively.
- (b) Vacation time must be submitted no later than December 15th and March 15th for the first and the second half of the year, respectively, to allow the scheduler to review, approve and deny time, thus allowing employees to resubmit any denied or unsubmitted time before the June 1st posting deadline for coverage with overtime as needed.
- (c) Vacation time that an employee seeks to schedule after the June 1st posting deadline shall be granted on a first-come, first-serve basis, and such vacation time cannot result in overtime being incurred. The Employer retains the option, but not the obligation to assign vacation days where an employee has selected and scheduled fewer than his or her fully allotted vacation time by the June 1st deadline. The Employer will not be ultimately responsible if the employee fails to schedule his or her vacation time pursuant to the procedures established in this Section, and the Employer chooses not to take such action itself.
- (d) A vacation leave request will not be approved if more than five (5) employees per shift have already been approved for vacation or other leave, except in the Employer's sole discretion. Employees who are on a medical leave or are suspended for disciplinary reasons shall not be counted towards the five (5) employee maximum.

Section 5. Vacations should normally be taken in forty (40) hour increments depending on assigned shift, but smaller increments may be approved in the Employer's discretion. Forty (40) hour blocks of time will take precedence over requests to use smaller increments. Requests to use less than forty (40) hour blocks of time will be approved based upon seniority. No block of time will be granted that extends beyond December 31st and into the new year.

ARTICLE 14

LEAVES

Section 1. Sick Leave. Sick leave is defined as an employee's absence from work because of illness, accident, exposure to contagious disease, or attendance upon a seriously ill member of the employee's immediate family requiring the employee's constant care. Eligible employees shall earn sick leave according to the following schedule:

1. Eight (8) hours [one (1) day per month] earned per month worked during the first year of employment.
2. One hundred and twenty (120) hours [fifteen (15) days per year] advanced for each calendar year thereafter.

Unused sick leave accumulates from year to year.

The Employer may require proof of illness, accident, exposure to contagious disease, or attendance upon a seriously ill member of the employee's immediate family. Any proof of illness shall be fully descriptive of the condition that required absence from work and must include a consent provision to provide an Employer-designated doctor the right to request and review the records of the treating doctor to verify the illness.

Section 2. Personal Days. An employee is entitled to 24 hours' leave each calendar year for the transaction of personal business, which does not carry over from year-to-year. A request to use personal leave is subject to the Employer's approval, and shall be submitted at least 72 hours prior to the date the leave will be used, except in emergencies where the need for such leave could not reasonably have been foreseen earlier. The Employer may deny a request to use personal leave for legitimate operational reasons only if the request would create a staff shortage and no coverage is found to replace the employee taking leave. Personal leave may also be denied on the day before or the day following a vacation day, except in extenuating circumstances. Approval of

personal leave requests beyond the foregoing limitations may be granted in the Employer's discretion.

Section 3. Bereavement Days. Employees shall be granted five (5) days off with pay in the event of the death of a parent, step-parent, spouse, domestic or civil union partner, sibling, child or stepchild. Employees shall be granted three (3) days off with pay in the event of the death of a parent-in-law, grandparent (including grandparent-in-law), grandchild or other member of an employee's immediate household. The Employer reserves the right to verify the legal relationship of the decedent to the employee.

Section 4. Jury Duty. Employees shall be given time off without loss of pay when performing jury duty. Employees serving on jury duty shall be entitled to receive from the County their usual compensation for each day of jury service, however, any compensation received by an employee while receiving full pay from the County while on jury duty shall be endorsed by the employee to the County Treasurer, as required by N.J.S.A. 2B:20-16.

Section 5. Supplemental Compensation. Upon an employee's death, the County shall pay supplemental compensation to the employee's estate in the amount of one-half (½) of the employee's earned and unused accumulated sick leave, based upon the average annual compensation received during the last year of employment prior to the date of death, but not to exceed \$15,000 or such higher amount as the County may hereafter adopt by resolution. This provision shall be subject to any further limitations that may be established by New Jersey law or applicable regulation, specifically including, but not limited to, N.J.S.A. 11A:6-19.2, which prohibits such payments to employees hired after May 21, 2010.

ARTICLE 15
BULLETIN BOARD

Section 1. The Employer will provide bulletin board space for the Union to post formal notices of meetings, elections, names of representatives and officers of the Union and other general matters concerning the business of the Union.

Section 2. All such notices are to be presented to the Undersheriff in charge of the Communications Division, or designee, prior to posting.

Section 3. The Employer will utilize PowerDMS to disseminate important documents, where they will be maintained for review by any employee.

ARTICLE 16
HEALTH BENEFITS

Section 1. It is agreed that the County will offer a medical point of service plan for employees covered by this Agreement. The portion of the premium cost for which the employee shall be responsible shall be in accordance with the rates set forth in P.L. 2011, Chapter 78. The parties agree that should an employee voluntarily waive all coverage under the County's health plan, and provide proof of coverage from a source other than the County, the County will waive the required contribution for the employee. Such employee contributions shall be deducted pre-tax and placed by the County into an IRS type 125 cafeteria plan, in accordance with New Jersey law.

Section 2. All benefits-eligible negotiations unit employees entering County employment (excluding any intergovernmental transfers) who select County-sponsored medical benefits must initially enroll in the County's OMNIA healthcare plan(s). Such enrollments must be maintained, unless medical benefits are waived, for a period of no less than one (1) year plus any period of time leading up to the implementation date of the following plan year, which currently runs from October 1st through September 31st in the following year. This provision shall be implemented for all negotiations unit employees who commence County employment starting on the first day of the month after this Agreement is approved by all of the parties. Any employees hired prior to that date shall continue to elect their benefits as they traditionally have during annual open enrollment and as their eligibility dictates.

Section 3. The provisions of Freeholder Resolution #94-267 shall continue to apply, and the County's traditional indemnity medical insurance program shall neither be offered nor available to employees hired on July 1, 1994, or thereafter. Freeholder Resolution #94-267 and a related sidebar agreement, dated April 4, 2007, are attached hereto as appendices to this

Agreement.

Section 4. Negotiations unit members, and those employees receiving benefits under the County temporary disability program, shall be provided with the prescription insurance plan established by the County. All existing prescription drug co-pays shall remain unchanged unless and until such time as these co-pays are increased for the County’s employees not represented for purposes of collective negotiations. Co-pays shall be limited to the lesser of the amount paid by the County’s non-represented employees, or the following:

<i>Non-Mail Order</i>	
Retail (brand)	\$20.00 (current \$20.00)
Generics	\$10.00 (current \$5.00)
<i>90 days Mail Order</i>	
Retail (brand)	\$15.00 (current \$15.00)
Generics	\$5.00 (current \$0.00)

Section 5. Part-time employees are eligible for health benefit coverage if they work and receive, on a continuous basis, a salary based on a minimum of thirty (30) hours weekly, except for those part-time employees hired by the County prior to March 1, 2016, who shall continue to receive health benefit coverage if they work and receive, on a continuous basis, a salary based on a minimum of twenty (20) hours weekly. Temporary employees are not eligible for these benefits.

Section 6. Employees shall be provided at a minimum with the full amount of statutory compensation established by N.J.S.A. 34:15-12(a) and/or applicable law. The terms and conditions of an employee’s entitlement to any enhanced benefits due to a work-incurred injury or disability shall be identical to those set by existing general County policy or any future amendments thereto.

Section 7. The parties agree that if there is an individualized reasonable suspicion that an employee is using a controlled substance or alcohol, then the Employer may test that person. Any

such test will be conducted in accordance with the specimen collection policy procedures set forth in the Commercial Driver's License ("CDL") substance abuse testing policy as adopted by the County by formal resolution.

Section 8. The Employer shall provide each employee with the opportunity for an annual hearing and eye examination at the Employer's cost. The scope of the examination will be determined by the Employer. If an employee wishes to take advantage of such examination, he or she must schedule it during off-hours and within the first three (3) months of each new year. The Employer reserves the right, at its sole discretion, to mandate that employees undergo annual screenings.

Section 9. A memorandum of agreement executed by the parties regarding certain modifications to the County's health care and pharmaceutical plans is attached to this Agreement as an appendix and is incorporated herein.

ARTICLE 17
DISCIPLINE AND SEPARATION

Section 1. An employee's separation from service may result from retirement or voluntary resignation, or if the Employer terminates the employee's services. An employee who wishes to resign from County employment shall notify the Employer, either verbally or in writing, at least two (2) weeks prior to the resignation's effective date in order to be recorded as having resigned in good standing. The notification should provide the date and reason for leaving County employment. The Employer may accept a resignation with less than two (2) weeks' notice, but has the discretion whether or not to record it as a resignation in good standing.

Section 2. When an employee is suspended or removed from employment, the Employer will notify the Union unless the affected employee directs otherwise.

Section 3. No employee shall be suspended or removed without just cause.

Section 4. If an employee is suspended without pay as authorized by the disciplinary procedures established by the Civil Service Commission in N.J.A.C. Title 4A, Chapter 2 (including indefinite suspensions arising from criminal matters as provided for by N.J.A.C. 4A:2-2.7) for more than sixty (60) working days, his or her County-funded health benefits shall cease as soon administratively feasible following the 60th working day of suspension, provided the County institutes the same policy for its unrepresented employees. Any such employee shall be offered continuation coverage through COBRA to the extent eligible.

ARTICLE 18
VETERANS AND VOLUNTEER RIGHTS AND BENEFITS

Section 1. The seniority rights of employees who enlist in the United States military or are drafted pursuant to law shall be maintained during the period of military service. All such employees shall have the right to reinstatement to their former position or to a position of equal status at the salary rate previously received, together with all salary increases granted by the Employer to that employee's previous position during the period of military service.

ARTICLE 19
COMMITTEES

Section 1. A joint Union and County Safety and Health Committee shall be established to review safety and health issues affecting employees within the negotiations unit, such as scheduling, equipment and security. Each party shall designate up to two (2) members of the Committee. The Employer shall schedule a meeting of the Committee at the written request of either party, which shall include the expected agenda.

Section 2. A joint Union and County Uniform Committee shall be established to review uniform issues affecting employees within the negotiations unit. Each party shall designate up to two (2) members of the Committee. The Employer shall schedule a meeting of the Committee at the written request of either party, which shall include the expected agenda.

ARTICLE 20
COLLEGE INCENTIVE

Section 1. Effective April 1, 2016, the college incentive program was eliminated from the Agreement. Instead, any tuition assistance and reimbursement is now provided to members of the negotiations unit to the same extent and under the same conditions as generally offered by the County to its non-represented employees. All employees who earned a college incentive under the prior program shall be entitled to retain the additional compensation provided for by that prior program so long as they continue in the negotiations unit.

ARTICLE 21
GENERAL

Section 1. The Employer and the Union hereby agree that they shall not discriminate against any employee because of race, creed, color, national origin, sex, ancestry, religion, marital status, domestic partnership status, sexual or affectional orientation, gender identity or expression, political affiliation, mental or physical or perceived disability, age, familial status, liability for service in the Armed Forces of the United States, union membership, union non-membership or union activity, in compliance with all applicable federal and state statutes, rules, and regulations. No employee shall be discriminated against or transferred because of legal Union activities.

Section 2. If the Employer does not promote an employee from an approved list, it shall provide that employee with the reason for its decision.

Section 3. Any resolutions of the Board of County Commissioners or other published County policies affecting the terms and conditions of employment of employees within the negotiations unit shall be provided to the Union, through its President, within seven (7) business days after the resolution is adopted or the policy is published.

ARTICLE 22
FULL BARGAIN PROVISION

Section 1. This Agreement represents and incorporates the complete and final understanding of statements by the parties on all bargainable issues that are subject to and could have been subject to negotiations. During the term of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties when they negotiated or signed this Agreement.

ARTICLE 23
DURATION

This Agreement shall be effective January 1, 2022 and shall continue in force and effect until December 31, 2025. After its expiration date of December 31, 2025, the provisions of this Agreement shall continue in force and effect to the extent authorized by the New Jersey Employer-Employee Relations Act, N.J.S.A. 34:13A-1 et seq., except for any provisions herein that are specifically otherwise designated.

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be executed by its fully authorized representatives this ___ day of _____, 2022.

APPENDIX D

ADDENDUM – HEALTH CARE AND PHARMACEUTICAL PLAN CHANGES

WHEREAS, due to the growth of the County's health care and pharmacy costs, and the associated cost to its employees, it is understood that certain cost containment measures are required in order for the County to be able to maintain the high level of benefits provided to County employees; and,

WHEREAS, it is further understood that due to certain provisions of the federal Affordable Care Act ("ACA"), it is critical that the County begin the process of finding health care cost savings, as it faces the potential for millions of dollars of fines in future years if its health care costs exceed the amount permitted by the ACA; and,

WHEREAS, the County's Benefits Department, in consultation with the County's health care and pharmaceutical plan administrators, have proposed numerous modifications to the County's health care and pharmaceutical plans where it is believed that substantial savings can be achieved at limited burden to the County's employees and dependents; and,

WHEREAS, while the County does not concede the negotiability of any or all of these modifications, it wishes to avoid any future Union challenges to them given their importance; and,

WHEREAS, the Union reserves all rights, claims and defenses as to any changes in the County's health and pharmaceutical plans not specifically set forth herein.

NOW, THEREFORE, BE IT RESOLVED that the Union agrees that the County shall have the right to implement any or all the following changes to its health care and pharmaceutical plans in its discretion at any time on or after January 1, 2016 so long as no such changes are implemented for Union employees until such time as they are simultaneously implemented for the County's non-represented employees;

BE IT FURTHER RESOLVED that the County shall provide at least sixty (60) days prior written notice before implementing any or all of the changes listed herein, but the Union shall have no right to demand negotiations as to whether or not they shall be implemented, nor shall the Union have any right to file any grievance, unfair practice, lawsuit, or other legal challenge in any forum relating to the County's decision to implement any or all of these changes provided said changes are made in accordance with this Agreement.

HEALTH CARE PLAN MODIFICATIONS

1. The County may increase OOP (Out of Pocket) maximums for out-of-network treatment as follows: Family OOP maximums may be increased from \$5,000 per year to no more than \$10,000 per year. Single OOP maximums may be increased from \$2,500 per year to no more than \$5,000 per year.

2. The County may increase the co-payment for utilizing emergency room services from \$25 per visit to no greater than \$100 per visit. The existing policy of waiving the co-payment when an ER visit results in admission to a hospital shall remain in force.

3. The County may revise its pricing schedule for out-of-network treatment to modify the "reasonable and customary" rate used to calculate reimbursement for such out-of-network treatment to no less than 150% of the rate established by the Centers for Medicare & Medicaid Services.

PHARMACY PLAN MODIFICATIONS

1. The County may implement a "network narrowing" plan to reasonably limit the pharmacies from which members may purchase pharmaceuticals, which shall consist of removing one (1) of the following three (3) national pharmacy chains (or their successors in interest) from the County's network: (1) Walgreens, (2) Rite-Aid, (3) CVS.

2. The County may implement "step therapy" procedures when, within a specific therapy class, multiple drugs are available to treat the same condition. In such instance, a patient will be required to first try clinically effective generic or lower-cost brand medications, before "stepping-up" to a higher cost medication. If, after the patient tries the generic or lower-cost medication, the patient's physician determines that a higher-cost medication is medically required, the physician may contact the County's pharmacy benefits manager for a coverage review and to request authorization for that higher-cost medication. Provided the physician fully cooperates with the pharmacy benefits manager in this process, such authorization shall normally be granted within three (3) days. A current list of drugs for which "step therapy" will apply will be provided to the Union.

3. The County may implement a "dispense as written" policy in which members are subject to the use of generic prescription drugs according to State guidelines, and if a member insists on a brand drug when a generic drug is available, the member will be required to pay both the "brand" co-pay as well as the entire difference in actual cost between the brand drug and the generic drug. This provision shall not be applicable if the prescribing physician writes "DAW" or "dispensed as written" or checks the "do not substitute" box on the prescription.

4. The County may implement a "prior authorization and quantity duration" policy in which it may ensure via a series of clinical safety edits that FDA and other clinical guidelines are being followed in treatment in order to ensure best safety outcomes. For drugs that are not needed every day such as sleep aids, or migraine treatments, supply per prescription will be reduced in accordance with the policy, for example, a particular prescription may be reduced from 30 doses to 8 at retail and from 90 doses to 24 at mail, unless the prescribing physician establishes that a larger quantity is needed due to medical necessity. A current list of drugs for which "prior authorization and quantity duration" will apply will be provided to the Union.
