Said stipend shall be paid the last pay period in November of each year. Employees who worked less than twelve (12) months in the calendar year shall receive a pro rata share.

ARTICLE 16 - PAY PERIODS

Section 1: Beginning July 1, 2002, all employees shall be paid on a semi-monthly basis. There shall be two payroll periods in each month. The first semi-monthly pay period will be defined as the First (1st) of the month through the Fifteenth (15th) of the month. The second semi-monthly pay period will be the Sixteenth (16th) of the month through the last day of the month. Paydays shall be the 3rd of every month for the first semi-monthly pay period and the 18th of every month for the second semi-monthly pay period.

Section 2: In every year, annual salaries are divided by 1827 hours for 35 hours per week employees and 2088 for 40 hours per week employees to determine the hourly rate. Section 3: In those cases when a payday—the 3rd or the 18th of the month—occurs on a Saturday, Sunday or Holiday, the paycheck shall be issued to the employee on the last workday preceding the aforementioned Saturday, Sunday or Holiday. In the event said last workday occurs in a prior

Under the former biweekly payroll method, any employee hired on or before May 1991, received his/her payroll eight (8) workdays in advance of the completion of the period for which the employee was paid. With the semi-monthly payroll method, these employees continue to be paid eight (8) workdays in advance of the completion of the work period, e.g., the July 3rd paycheck covers the period July 1st through 15th.

Section 5: All payroll payments shall be made via electronic deposit to account(s) specified by the employee in accordance with the provisions of Section 1 of P.L. 1981.c.385 (C52:14-15a).

Section 5: Follow-up physician visits may be necessary after the employee has returned to work. These follow-up visits will be scheduled by the County's third-party administrator during non-working hours. An employee may request written confirmation from his/her supervisor on the appropriate form of the title and salary before she/he performs such duties or continues to perform such duties.

The County may conduct an internal audit of the duties to determine the appropriate title for the temporary assignment. The Union agrees that such temporary assignments are not considered a provisional or permanent promotion.

Section 5: The Union may request a re-evaluation of any job title for the purpose of realigning the title into another job group. New titles added in the bargaining unit will be placed in the salary range in accordance with the joint job evaluation study. Should disputes arise between the

2. Time limits may be extended by written mutual consent of the parties.
3. Failure of the County to respond to a grievance within the time limit shall be deemed a denial of the grievance. The County shall make every reasonable effort to respond to a grievance.

4. Failure of the Union to proceed to the next step within the time limit shall be deemed abandonment of the grievance and the decision of the County shall be deemed the final and binding resolution of the grievance.
