

Job Announcement

Wastewater Treatment Plant Maintenance Assistant II

Position Summary:

The Sussex County Municipal Utilities Authority (SCMUA) in Hardyston, NJ is seeking a qualified and motivated individual to join our team as a full-time Wastewater Treatment Plant Maintenance Assistant II. This position performs a variety of skilled and semi-skilled tasks in the maintenance, repair, and operation of wastewater treatment plant equipment and facilities.

Key Responsibilities:

- Perform routine and preventive maintenance on pumps, motors, valves, piping systems, and other mechanical equipment.
- Assist in diagnosing mechanical issues and performing corrective repairs.
- Maintain accurate maintenance records and logs.
- Operate hand and power tools in a safe and effective manner.
- Work collaboratively with other maintenance and plant operations staff.
- Assist with equipment installation, testing, and troubleshooting.

Qualifications:

- High school diploma or equivalent.
- At least five (5) years of experience in industrial, mechanical, or facility maintenance - preferably in a wastewater setting with an operators ("S") license.
- Basic knowledge of mechanical systems, hydraulics, and electrical components.
- Ability to read and interpret manuals, schematics, and diagrams.
- Valid New Jersey Driver's License - CDL is preferred but not required.

Working Conditions:

- Must be able to lift up to 50 pounds.
- May be required to work nights, weekends, holidays, and respond to emergencies on a rotating on-call basis.

Salary Range: \$50,000 – \$80,000 annually (Grade 10)

Benefits: Health, Dental, Life, Pension, Vacation, Sick

How to Apply:

To obtain an employment application, please visit www.SCMUA.ORG. Submit a completed application form and resume to Marguerite Nemeth, HR Director, at 34 Route 94 South, Lafayette, NJ 07848 or via email at MNEMETH@SCMUA.ORG.

Applications are being accepted until the position is filled.
