

## Warren County Personnel Department

### Principal Planner

- **Type:**Full Time
- **Salary/Pay Rate:**Starting Salary Range is \$68,944 to \$76,928 commensurate with education and experience
- **Posted Date:**01/14/2025 11:24 AM

There is one full-time provisional **Principal Planner** position available at the **Warren County Planning Department**, Belvidere, New Jersey.

Subject to New Jersey Civil Service Commission procedures, the Warren County Planning Department is seeking a motivated Principal Planner with GIS skills to focus on transportation planning and grant management. The successful applicant will be responsible for the everyday management of the NJTPA grant administration and transportation planning related activities. This person will work as part of a growing team of planners and GIS professionals supporting countywide initiatives and services in planning, GIS, land development, economic development, transportation, open space and recreation, environmental, and solid waste management. If you seek to establish yourself as a well-rounded transportation planner working on diverse planning projects at the county level, please complete and submit your application inclusive of a cv, resume and portfolio or work samples to the Personnel Department, Wayne Dumont, Jr. Administration Building, 165 Route 519S, Belvidere, NJ 07823 or email them to [smizzer@co.warren.nj.us](mailto:smizzer@co.warren.nj.us)

***Applicants must comply with the residency requirements of the New Jersey First Act; N.J.S.A. 52:14-7. Residents of Warren County are preferred.***
