President's Message

Dear Friends,

During this once in a generation pandemic, county governments have played a vital role in providing essential services and protecting the public health, safety, and welfare of residents across the Garden State by distributing vaccines, operating test centers, purchasing and allocating personal protective equipment, hiring public nurses and health professionals, implementing mitigation measures, disinfecting county facilities, collecting and sharing public health data, sheltering homeless and at-risk individuals, managing correctional facilities, administering welfare and social service programs, conducting elections, and more. I’m proud to have been a part of the county government system, which rose to this terrible occasion and led the way on so many fronts.

Although NJAC is committed to serving our elected officials and professionals as a resource and advocate for county government on COVID-19 related matters as we begin to navigate our way through a better 2021, the Association also plans to refocus our efforts on achieving many long-term legislative goals and objectives. As a non-partisan organization that represents the State's only true regional form of government with a unified and proactive voice, NJAC is dedicated to advancing innovative programs and initiatives that enhance the level of service provided and save valuable taxpayer dollars. Our extensive grassroots advocacy begins with an active Board of Directors and includes developing informative position statements; testifying at legislative committee meetings and public hearings; leading timely workshops and strategic planning sessions; managing the press and public relations; and, promoting cutting edge county initiatives.

With respect to the Association's legislative objectives, NJAC is urging State leaders to act on separating the assets and management of the local portion of the Public Employees Retirement System (PERS) from the underfunded State portion of PERS as a means to provide direct property tax relief; requiring the State of New Jersey to restore critical 911 dollars to county and municipal Public Safety Answering Points (PSAP) as the State remains the worst offender of diverting 911 fees in the entire nation; and, promoting the regionalization of services at the county level to save valuable property taxpayer dollars. Some additional initiatives include requiring binding interest arbitration awards to contain a full financial impact statement as State leaders have failed to permanently extend the 2.0% cap on such awards; authorizing local governing bodies to opt-out of civil service by referendum; and, prohibiting the imposition of unfunded mandates by legislation, regulations, or directives.

(continued on page 6)
President’s Message

Importantly, NJAC conducts comprehensive research and analysis on a wide range of county specific topics that include county budget and tax rate data; pension and health benefits; the costs associated with operating and maintaining county court facilities and prosecutor offices; property tax cap levy restrictions; salaries and wages; and, much more. Board members meet on a regular basis and NJAC provides monthly updates through “State House News,” an informative E-Newsletter sent to county officials throughout the State. Each spring, NJAC typically hosts an outstanding celebration of county government, where county officials from across the State share valuable resources and ideas and earn continuing education credits by participating in more than two-dozen professional development workshops. The event also features a one-of-a-kind County Vocational-Technical School Cook-Off Challenge; an inspiring County College Acapella Sing-Off; the presentation of our county service awards; and, much more. This year, we’re hosting the event in October in addition to our upcoming virtual workshops in the spring and annual summit in December.

NJAC also partners with the Rutgers University Center for Local Government Services to offer the State’s only “County Administrators Certificate Program,” open to all local government employees and elected officials committed to advancing their careers in public service by studying procurement, labor relations, fiscal affairs, and ethics. Finally, over the past decade, the NJAC Foundation has awarded over $400,000 in scholarships to hardworking county vocational-technical school graduates who plan to continue their education at a county or state college or university. Through the generosity of some of New Jersey’s most prominent businesses, such as Investors Bank, PSE&G, NJM Insurance Company, and SHI International, the NJAC Foundation has enjoyed the opportunity to provide some much-needed financial assistance to an impressive group of hard-working students.

I look forward to a productive year, and please make sure visit our website at www.njac.org for additional details about our growing organization.

Sincerely,

John A. Cimino
NJAC President & Mercer County Commissioner

Enjoy lower fees.

Invest with confidence.

Expect more for less.

You can feel confident about investing in your future with deferred compensation. We’re now offering lower plan fees with the same exceptional service.

Your Retirement Specialist can:

• Explain how the reduced plan fees may affect your account
• Answer questions about your fees or deferred compensation
• Clarify your account statement or investment performance reports

To learn more, talk with your Nationwide Retirement Specialist.

Investing involves market risk, including possible loss of principal. Actual investment results will vary depending on your investment and market experience, and there is no guarantee that fund objectives will be met.

BECOME A MEMBER

of the

NEW JERSEY ASSOCIATION OF COUNTIES

Take advantage of NJAC’s extensive network of county officials, businesses, trade associations, and statewide leaders through innovative networking events that include:

- An outstanding annual celebration of county government
- NJAC’s annual reorganization and board of directors meetings
- A unique year-end summit
- Advertisement in NJAC’s county directory and website
- Publication in *NJAC County Biz* and updates from *State House News*

Effectively market your business initiatives to help county governments operate more efficiently and save valuable taxpayer dollars!

You may also take advantage of the opportunity to host one of our county affiliate group meetings, virtual workshops, seminars, and other terrific events throughout the course of the year.

Learn about more benefits of being a part of NJAC and how you can join.

In these challenging times, staying connected is everything. PSEG is committed to providing the energy that powers our homes, our work and our connections to the world.
The NJAC Foundation is a 501 (C)(3) non-profit organization affiliated with the New Jersey Association of Counties (NJAC) and is committed to providing aid to educational, social and government institutions in the furtherance of their stated goals. The Foundation is also dedicated to providing innovative educational opportunities for county vocational-technical school and county college students.

**SCHOLARSHIPS**

During the past ten years, the Board of Directors of the NJAC Foundation have awarded over $410,750.00 in scholarships to more than 709 hardworking county vocational-technical school graduates who plan to continue their education at a New Jersey county or state college. Through the generosity of some of New Jersey’s most prominent businesses, the Foundation has had the opportunity to provide some much needed financial assistance to an impressive group of hardworking students.

- Investors Bank awarded the Foundation grants totaling $200,000.00 and the Foundation distributed scholarships in each county where Investors Bank conducts business.
- NJM Insurance Group awarded the Foundation $41,750.00 in which scholarships were distributed in each county where NJM Insurance Group is headquartered.
- Through its Green Scholarship Program, PSEG awarded the Foundation grants totaling $118,000.00 and the Foundation distributed scholarships in each county where PSEG maintains a service territory or generation facility.
- SHI International awarded the NJAC Foundation grants totaling $26,000.00, and the Foundation distributed scholarships in all twenty-one counties.
- Wells Fargo awarded the Foundation a grant of $10,000.00 and the Foundation distributed scholarships in all twenty-one counties.
- Verizon awarded the Foundation grant a $15,000.00 and the Foundation distributed scholarships to county vocational-technical school graduates in all twenty-one counties.
Select, deploy and manage technology with SHI.
