President's Message

Dear Friends:

On behalf of Somerset County, I am honored to serve as the 84th President of the New Jersey Association of Counties (NJAC).

As a non-partisan organization that represents the State's only true regional form of government with a unified and proactive voice, NJAC is dedicated to advancing innovative programs and initiatives that enhance the level of service provided and save valuable taxpayer dollars. Our extensive grassroots advocacy begins with an active Board of Directors and includes developing informative position statements; testifying at legislative committee meetings and public hearings; leading timely workshops and strategic planning sessions; managing the press and public relations; and, promoting cutting edge county initiatives.

On the legislative front, NJAC is urging State leaders to address the substantial challenges county governments are facing with housing juvenile offenders taken into custody; making recommendations on how counties may provide transitional housing services, temporary shelters, and permanent placement for those in need; restoring critical 9-1-1 dollars to county and municipal Public Safety Answering Points (PSAP); mitigating health benefit and employer pension increases as a means to provide direct property tax relief; and, promoting the regionalization of services at the county level to save valuable property taxpayer dollars. The Association is also working to streamline the antiquated civil services system and safeguard counties from the imposition of unfunded mandates by legislation, regulations, or directives.

Additionally, NJAC conducts comprehensive research and analysis on a wide range of county specific topics that include county budget and tax rate data; pension and health benefits; the costs associated with operating and maintaining county court facilities and prosecutor offices; property-tax cap levy restrictions; salaries and wages; and, much more. Board members meet on a regular basis and NJAC provides monthly updates through the "State House News," an informative e-newsletter sent to county officials throughout the State. Each Spring, NJAC hosts an outstanding celebration of county government, where county officials from across the State share valuable resources and ideas and earn continuing education credits by participating in more than two-dozen professional development workshops. The event also features a one-of-a-kind County Vocational-Technical School Cook-Off Challenge; the presentation of our county service leadership awards; and, much more.

(continued on page 6)

President's **Message**

Importantly, NJAC meets on a regular basis with over a dozen of our county professional groups and hosts the regular meetings of the county administrators, clerks of the board, personnel directors, county improvement authorities and county counsels. Modeled after the successful Southern New Jersey County Commissioners Association (SNJCCA), NJAC recently established the Central New Jersey County Commissioners Association (CNJCCA) and Northern New Jersey County Commissioners Association (NNJCCA) where county executives, commissioners, constitutional officers, and professionals meet on a regular basis. NJAC also partners with the Rutgers University Center for Local Government Services to offer the State's only "County Administrators Certificate Program," open to all local government employees and elected officials choosing to advance their careers in public service by studying procurement, labor relations, fiscal affairs, and ethics. Finally, over the past decade, the NJAC Foundation has awarded over \$700,000.00 in scholarships to hardworking vocational-technical school graduates who plan to continue their education at a county or state college or university.

I look forward to a productive year, and please make sure to visit our website at www.njac.org for additional details about our growing organization.

Sincerely,

Shanel Y. Robinson

Shanel Y. Robinson

NJAC President & Somerset County Commissioner

457(b) retirement plans

Our valued partnership helps provide retirement solutions for America's workers

The National Association of Counties (NACo) and Nationwide* are unified in our mission to help county leaders find better retirement solutions for their employees. We've worked in partnership for **more than 40 years** and have served more than **1.5 million county employees and retirees** in the United States by offering **457(b) deferred compensation** retirement plans.

Together we reach:

More than
425,000
current participants

Nearly
3,000
participating
counties and county
jurisdictions

More than
\$24 billion
in assets

The strong partnership between NACo and Nationwide helps enhance the overall financial wellness and retirement security of our nation's county workers and their families. Nationwide continues to innovate and create new and improved solutions that allow county employees to save extra money and plan effectively for their future.

For more information, contact:

Matt Ring, Program Director

609-500-0205; RINGM3@Nationwide.com

Nationwide Retirement Solutions and Nationwide Life Insurance Company (collectively "Nationwide") have endorsement relationships with the National Association of Counties (NACo). More information about the endorsement relationships can be found online at nrsforu.com.

Nationwide and the Nationwide N and Eagle are service marks of Nationwide Mutual Insurance Company. © 2022 Nationwide

*B*ECOME A *M*EMBER
of the
NEW JERSEY ASSOCIATION OF COUNTIES

Take advantage of NJAC's extensive network of county officials, businesses, trade associations, and statewide leaders through innovative networking events that include:

- An outstanding annual celebration of county government in May
- A festive annual reorganization meeting in January
- A timely year-end summit that tackles tough issues in December
- Advertisement in NJAC's county directory and website
- Publication in [*NJAC County Biz*](#) and updates from [*State House News*](#)

*Effectively market your business initiatives to help county governments operate more efficiently
and save valuable taxpayer dollars!*

You may also take advantage of the opportunity to host one of our county affiliate group meetings, virtual workshops, seminars, and other terrific events throughout the course of the year.

Learn about more benefits of being a part of NJAC and how you can join.

Claribel Cortes, Middlesex County Surrogate

Eve Cullinan, Burlington County Administrator

Colleen Mahr, Somerset County Administrator

Al Mirabella, Union County Commissioner

John G. Donnadio, Esq., Executive Director

NJAC provides scholarship opportunities through the NJAC Foundation, a 501 (C)(3) non-profit organization committed to providing financial assistance for county vocational-technical school graduates who plan on continuing their education at a New Jersey county or state college/university. Since 2011, the NJAC Foundation has awarded over \$700,000.00 in scholarships to over 1,000 students who continued their education at home in the Garden State. Through the generous grant funding from some of New Jersey's leading corporate citizens, such as Investors Foundation, PSEG, New Jersey Manufacturers (NJM), Amazon, SHI International, South Jersey Industries (SJI), PKA Technologies, and AT&T, the Foundation has enjoyed the opportunity to provide some much-needed financial support to an impressive group of hardworking students.

- Investors Foundation, a division of Citizens Bank, awarded the Foundation with grants totaling \$263,000.00 and the Foundation distributed scholarships in each county where Citizens Bank conducts business, which is every NJ county as of 2016.
- Through its Green Scholarship Program, PSEG awarded the Foundation with grants totaling \$154,000.00 and the Foundation distributed scholarships in each county where PSEG maintains a service territory or generation facility.
- Wells Fargo awarded the Foundation a grant of \$10,000.00 and the Foundation distributed scholarships in all twenty-one counties
- Verizon awarded the Foundation a grant a \$15,000.00 and the Foundation distributed scholarships to county vocational-technical school graduates in all twenty-one counties.
- New Jersey Manufacturers (NJM) awarded the Foundation with grants totaling \$62,750.00 and the Foundation distributed scholarships to students in the three counties where NJM maintains corporate headquarters.
- SHI International Corporation has awarded NJAC Foundation with grants totaling \$57,500.00 and the Foundation distributed scholarships to county vocational-technical school graduates that intend on continuing their higher education with studies in information technology and cyber security.
- Amazon has awarded the Foundation with grants totaling \$73,000.00 and the Foundation distributed scholarships in all twenty-one counties.
- South Jersey Industries (SJI) awarded NJAC Foundation with grants totaling \$38,555.96 and NJAC Foundation distributed scholarships to students in 9 counties where SJI maintains a service territory.
- AT&T awarded NJAC Foundation with grants totaling \$52,500.00. NJAC Foundation has distributed scholarships to county vocational-technical school graduates in each county intending on furthering their education in cybersecurity, computer information systems, data analytics, database management, computer science, or a related field of study.
- PKA Technologies awarded NJAC Foundation with grants \$10,000.00 and NJAC Foundation distributed scholarships to five students in Essex County.
- VMware by Broadcom awarded a grant of \$10,000.00 to the NJAC Foundation for scholarships to county vocational-technical school graduates who plan on pursuing a degree in technology or cyber security. Scholarship distributions were made to students in ten counties.

SHI Public Sector

Delivering technology solutions to 14,000
Government and Education Organizations

Your Challenge

No matter what branch of the government or education sector you sit in, you need cost-effective technology to meet the expectations of constituents. You need to navigate the complexities of grant funds and contract vehicles. And you need to work with a technology solutions partner that offers more than competitively-priced hardware and software.

Our Solution

SHI Public Sector is a division of SHI International, the leading technology solutions provider and largest Minority Women Owned Business Enterprise (MWBE) in the United States, dedicated to supporting government and education institutions.

We work with IT and procurement professionals in federal, state and local governments, public healthcare, and education to deliver better constituent experiences, helping customers select, deploy, and manage highly robust, innovative, and cost-effective solutions across their core infrastructure, cloud, and end user platforms.

SHI Public Sector offers unparalleled access to the widest range of technologies and vendors, along with the benefits of collaborating with:

- Dynamic account teams that work on a regional and vertical basis, helping you navigate the complexities of funding, federal and local programs, and our 500+ contract vehicles.
- A dedicated grants team to help you identify and apply for available funds.
- Leading educators who are redefining the boundaries of professional development and instituting esports programs and arenas around the country.
- Consultants and strategists that have extensive industry experience and have solved the same challenges you face today.
- Licensing experts and hardware specialists that can match the right solutions and procurement vehicles to your exact needs.
- Integration Centers that can configure and ship more than 3,500 devices a day.
